

FREE STAND™

Freestanding Hoarding Specialists

No Drilling. No Digging. No Risk.

FREE STAND™ Anti-Climb

Product Overview

Free-Standing Anti-Climb fencing is a robust security solution designed to deter unauthorised access and prevent climbing attempts. Constructed with durable materials and featuring a unique design that hinders scaling, this fencing provides enhanced perimeter protection for various applications, including industrial sites, airports, and critical infrastructure facilities.

Our top-tier, durable fencing solution ensures maximum protection for your perimeter. Built to withstand challenges, it's the ultimate defence against trespassers.

Features & Accessories

Enhanced Security

Effectively deters climbing attempts, providing a formidable barrier against trespassers.

Versatile

Suitable for various applications, including industrial facilities, airports, and high-security zones. Lightweight and easy to assemble.

Bespoke Colours

Corporate colours and branding available.

Low Maintenance

Requires minimal upkeep, reducing long-term costs.
